The Rule of the Secular Franciscan Order

Chapter II: The Way of Life

The rule and life of the Secular Franciscans is this: to observe the gospel of our Lord Jesus Christ by following the example of Saint Francis of Assisi, who made Christ the inspiration and the center of his life with God and people.

Christ, the gift of the Father's love, is the way to him, the truth into which the Holy Spirit leads us, and the life which he has come to give abundantly.

Secular Franciscans should devote themselves especially to careful reading of the gospel, going from gospel to life and life to the gospel.
