

Secular Franciscan Order Our Lady of the Angels Regional Fraternity

February 27, 2014

Dear Fraternity Minister:

The International Council of the Secular Franciscan Order (CIOFS) is asking each national fraternity once again to conduct a demographic survey of the entire membership of the Order. This is so that it can report on its membership to the Vatican and have a basic picture of the demographic makeup of the entire Order.

Each member is asked to fill out the attached survey form which is completed **anonymously**. The minister is asked to collect and to tally the responses and **return the completed fraternity tally form no later than April 5 to our Regional Secretary at the address below**. After you have tallied the numbers and entered the information onto the report form, the individual survey sheets should be destroyed. We will tally all the responses for our Regional Fraternity and send the totals on to our International Councilor for inclusion in our National Report to CIOFS.

Please return your completed Fraternity Report to our Regional Secretary at the following address:

Ms. Kate Asselin, ofs

Thank you for your cooperation in this important data gathering initiative.

Fraternally and gratefully,
